

## Initial Screen

The screenshot shows a web browser window with the title "Students Directory". The address bar displays "localhost:8080/StudentManagement/students/list". The page content includes a header "Student Directory" and a form with an "Add Student" button, input fields for "Name" and "department", and a "Search" button. Below the form is a table with columns "Name", "Department", "Country", and "Action". The table contains one row for "Suresh" with "B.Tech" as the department and "India" as the country. The "Action" column for this row contains "Update" and "Delete" buttons.

Name	Department	Country	Action
Suresh	B.Tech	India	<button>Update</button> <button>Delete</button>

## Add student:

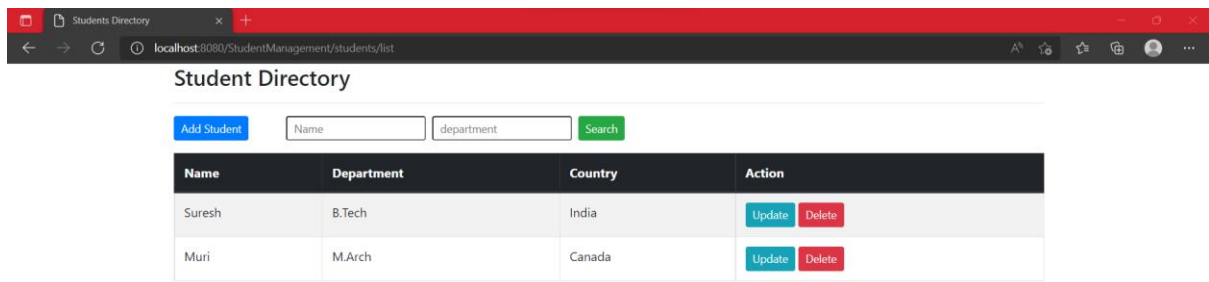

The screenshot shows a web browser window with the title "Student Festival". The address bar displays "localhost:8080/StudentManagement/students/showFormForAdd". The page content includes a header "Student Directory" and a form titled "Student". The form has three input fields for "Name" (containing "Muri"), "Department" (containing "M.Arch"), and "Country" (containing "Canada"). Below the input fields is a "Save" button. At the bottom of the page, there is a link "Back to Students List".

**Student**

Save

[Back to Students List](#)

After adding student list:

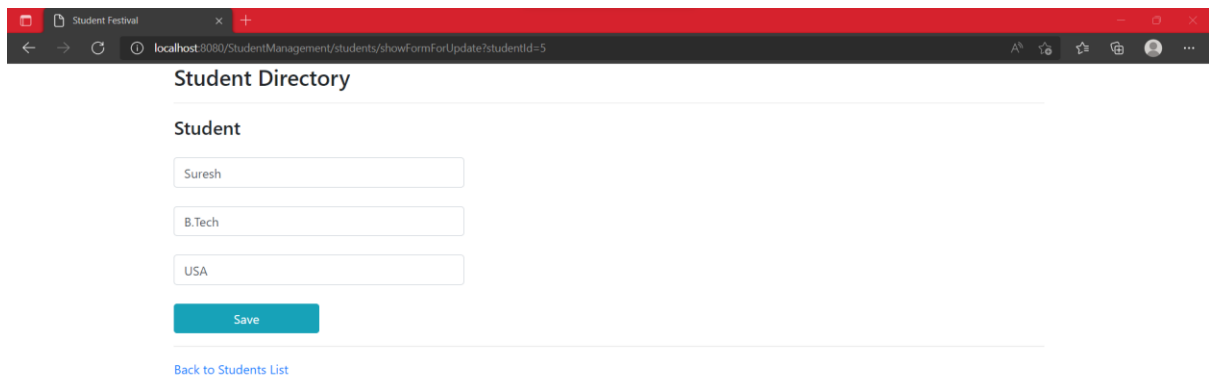

Student Directory

[Add Student](#)   [Search](#)

Name	Department	Country	Action
Suresh	B.Tech	India	<a href="#">Update</a> <a href="#">Delete</a>
Muri	M.Arch	Canada	<a href="#">Update</a> <a href="#">Delete</a>

Update student:

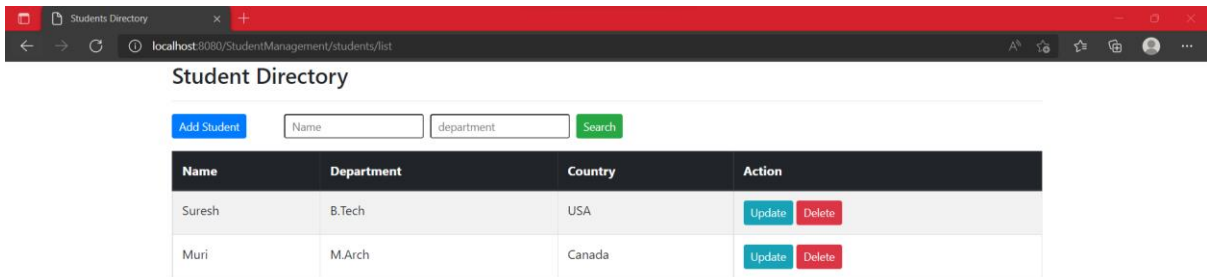

Student Directory

Student

[Save](#)

[Back to Students List](#)

After update USA instead of India:

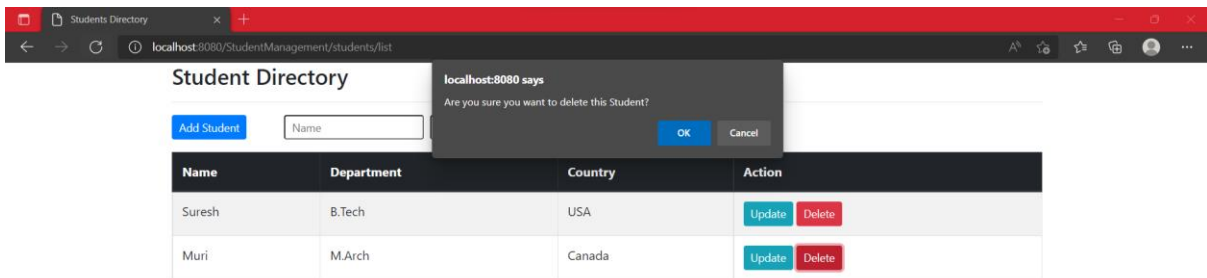

The screenshot shows a web browser window with the title "Students Directory" and the URL "localhost:8080/StudentManagement/students/list". The page displays a table with the following data:

Name	Department	Country	Action
Suresh	B.Tech	USA	<a href="#">Update</a> <a href="#">Delete</a>
Muri	M.Arch	Canada	<a href="#">Update</a> <a href="#">Delete</a>

At the top of the page, there is a form with an "Add Student" button, input fields for "Name" and "department", and a "Search" button.

Delete student Muri :

The screenshot shows the same web browser window as before, but with a confirmation dialog box overlaid on top. The dialog box has the title "localhost:8080 says" and the message "Are you sure you want to delete this Student?". It has two buttons: "OK" and "Cancel".

Name	Department	Country	Action
Suresh	B.Tech	USA	<a href="#">Update</a> <a href="#">Delete</a>
Muri	M.Arch	Canada	<a href="#">Update</a> <a href="#">Delete</a>
